

Schizofrenie/psychotische stoornis: Stiripentol

6774

Datum literatuursearch: 5 september 2017

CONCLUSIE

Er zijn geen studies of case-reports die een verband aantonen tussen het ontstaan of verergeren van schizofrenie/psychoses en het gebruik van stiripentol.

AANVULLENDE OPMERKINGEN

- Stiripentol is chemisch ongerelateerd aan andere anti-epileptica.
- Er is geen relevante literatuur gevonden.

PICO

P(atient)	Patiënten met schizofrenie/psychotische stoornis (in de voorgeschiedenis)
I(ntervention)	Stiripentol
C(omparison / Control)	Patiënten met schizofrenie/psychotische stoornis (in de voorgeschiedenis) zonder stiripentol
O(utcome)	Optreden psychotische bijwerkingen
